SUMMARY OF THE REASONS FOR DECISION:

The video recording entitled *Romance* is classified as:
Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

The publication is a version of a previous publication of the same title examined by the Office of Film and Literature Classification. A Direction to Issue a Label was given by the Classification Office on 6 January 2000. The publication currently under consideration is verified to be the same feature as that previously examined by the Classification Office, and contains additional components, specifically four notices and seven trailers for other features. These additional components do not affect the classification originally given.
